

March 14, 2022

Council Chambers  
Vigo County Annex  
Terre Haute, Indiana

**Roll Call:**

**Present:** Chris Switzer, Mike Morris, Brendan Kearns

**Others Present:** County Engineer Larry Robbins and Bob James.

**10:05 a.m. Bid Opening for the Bituminous Materials, Sand, Gravel, Stone, Corrugated Metal Culvert Pipe, Aluminum Box Culverts and HDPE Culvert Pipe**

**Sand and Gravel Materials, Including Asphalt Materials.** The following bids were received:

E3 Bridge for bridge and pipe.  
S&G Excavating for aggregate.  
McGuire Excavating & Trucking Company for aggregate.

These are the only bids received as of the deadline today at 10:00 a.m.

Mr. Robbins will take the bids under review and make his recommendation to the Commissioners at a Commissioners' Meeting scheduled for Tuesday, March 15, 2022 at 9:00 a.m. at which time the Commissioners will make a final decision. He will have to re-advertise for bituminous material and they will let the asphalt companies know unless the companies would like to work something else out. In the past they have taken last year's bid and rolled it over but he isn't sure they would want to do that this year with asphalt prices being what they are.

Chris Switzer made a motion to accept the bids and take them under advisement. Mike Morris seconded the motion. Upon a voice vote of 3-0, the motion was unanimously approved.

There being no further business, it is now ordered the Board be recessed.

Attest:

  
James Bramble, Auditor

  
Chris Switzer, President  
  
Mike Morris, Vice President  
  
Brendan Kearns, Secretary
